I am writing to let you know how happy I am that I had lasik surgery. As you are aware I was extremely nervous and anxious about having this procedure. I have been wearing glasses for almost 20 years and it is amazing that I am finally able to see perfectly. From my very first experience with your office I was impressed. It was a very friendly environment I felt comfortable with the entire staff. After having my eye test done I met with Dawn Lombardo who walked me through the entire process of having the surgery done she explained to me when, where, and how the procedure would take place. Dawn made me feel that I was not just another patient she answered all my questions and any concerns that I had. The next step was to meet with Dr. Nattis who has absolutely amazing and made me feel at ease, at that time I knew I was going to choose Lindenhurst Eye Physicians for my surgery.

I just wanted to send you a quick note to say how truly thankful I am to Dawn, Dr. Nattis, and the entire staff at Lindenhurst Eye. I have already given your phone number out to several of my colleges and have told them how happy I am with the results of my Lasik.

Thank You,

Edward Wesche
